### Description and Scope

NEP provides a process and strategy for executing community-driven projects in neighborhoods. An allocation of \$725,000 per-year, from 2019 to 2026 (\$5.075M total), covers the project costs and program management. NEP will continue its 7-year rotation cycle through the 14 NEP Neighborhood Areas, reaching Downtown/BelRed and Lake Hills in 2019; Crossroads and Wilburton in 2020; West Bellevue and Woodridge in 2021; and Newport and Somerset in 2022. The rotation citywide has been approved by Council and is available on the city website.

### Rationale

NEP would ensure that projects meet critical needs, provide maximum public benefit and align with city planning efforts. NEP would provide a method for funding smaller-scale, physical improvements that would not compete successfully for funding in the larger CIP, while offering citizens a voice in deciding how City funding is spent in their neighborhood.

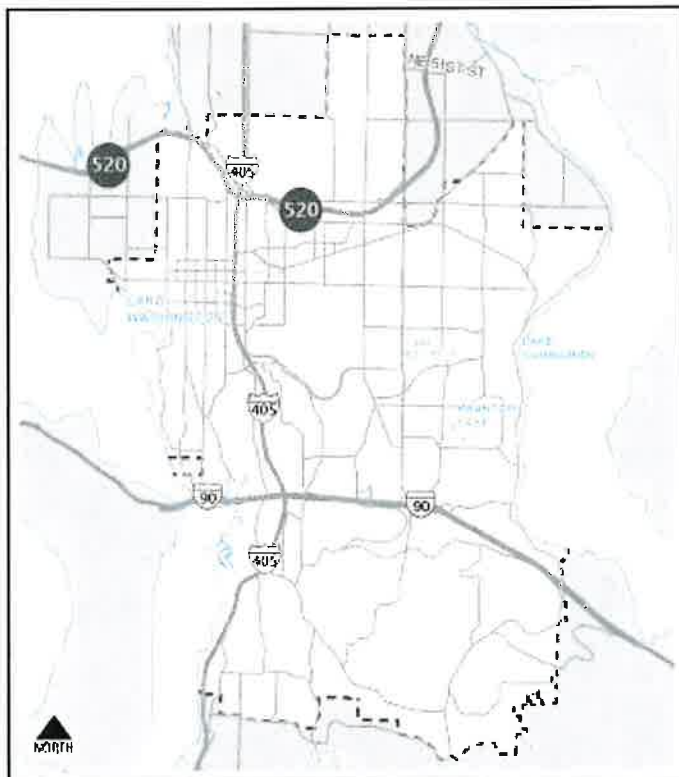

### Environmental Impacts

Environmental impacts will be determined on a project by project basis

### Operating Budget Impacts

This program will have no significant impact on operating expenditures.
