

DATE: June 24, 2019

TO: Mayor Chelminiak and City Councilmembers

FROM: Joyce Nichols, Director of Intergovernmental Relations, 452-4225  
*City Manager's Office*

## **ACTION ITEM**

### **Resolution approving the King County 2019 Comprehensive Solid Waste**

**Management Plan:** King County Solid Waste Division staff will provide an overview of the King County 2019 Comprehensive Solid Waste Management Plan (Plan), including amendments adopted by the County Council after the last Bellevue Council briefing on February 25. The Plan outlines goals and policies for managing solid waste in King County over the next six years, including recommendations on potential future disposal methods, new transfer facilities, and recycling goals.

The Plan was adopted by the King County Council on April 24. In order for the Plan to be forwarded to the state Department of Ecology for final action, cities representing 75 percent of the total population of cities acting on the Plan within the 120-day review period must approve the Plan. The review period ends on September 16.

Staff is seeking Council action on a Resolution to approve the Plan. Council may also reject the Plan or choose not to act on the Plan.

## **LEGISLATIVE STATUS REPORTS**

**State Legislative Session Update:** Staff has provided a written legislative update on recent activities in Olympia during the interim between the end of the 2019 session and the 2020 session regarding Bellevue's interests and priorities.

**Federal Legislative Update:** Staff has provided a written update on recent activities at the federal level covering Congress and the Administration.

## **STAFF REPORTS / INFORMATION ITEMS**

**Monthly Council Summary Background Briefings:** Included are updated summary background briefings on the King County Regional Committees (RPC and RWQC), a wastewater governance update and the Puget Sound Regional Council (PSRC) Committees (GMPB and TPB).
