Eastrail Partners
Fiber Feasibility

WSDOT I-405 Renton to Bellevue Partnership

- Construct a new bridge over southbound I-405
- Pave 2.5 miles of trail between Ripley Lane and Coal Creek Parkway
- Jointly funded by WSDOT and King County Parks (2014 County Parks levy)

Lake Lanes Trail

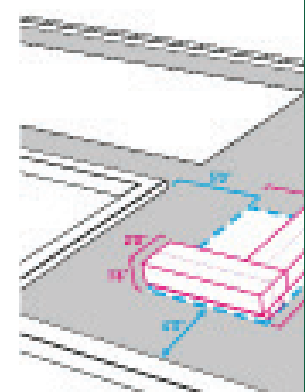

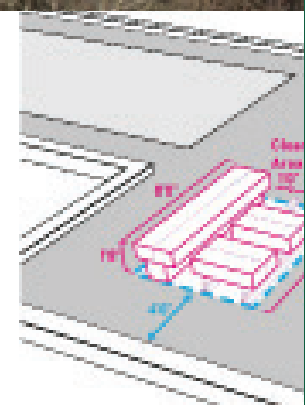

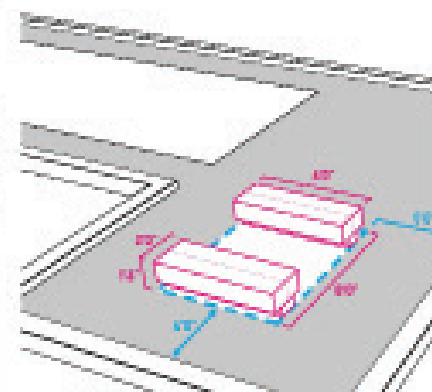

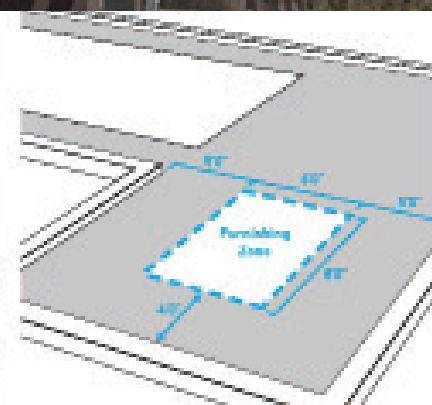

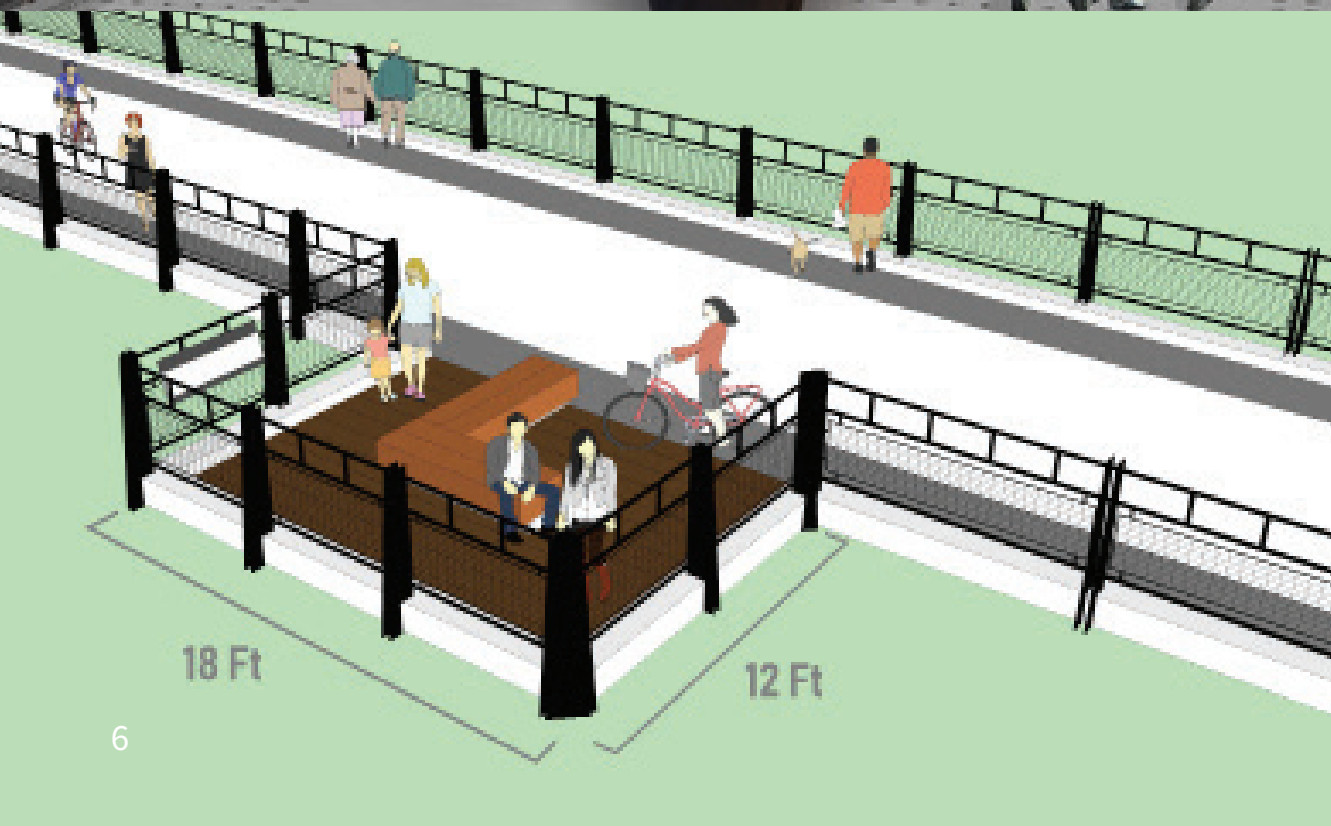

Wilburton Trestle

- Repair the historic structure
- Renovate for trail use and as a destination in itself
- Funding included with passage of King County Prop 1 (KC Parks Levy)

Wilburton Trestle

Wilburton Trestle

NE 8th Overcrossing

- Design 60% complete
- Critical schedule window with Sound Transit
- Construction anticipated to begin late 2020
