

A long banner with a green and blue background and colorful polka dots on the left. The text "Bellevue Neighborhoods Conference" is written in white. The background of the entire slide shows a large room with many windows looking out onto a city. People are seated at round tables, and a man in a suit and a woman in a light-colored dress are standing in the foreground.

VISIONING

- Diversity in provocations
- Can consider context
- Invites a more nuanced discussion
- Exchange of ideas and emotional responses
- How do residents and stakeholders want a place to look and feel
