# June 5<sup>th</sup> Council Direction Relative to Homelessness Management

- Bring forward the Eastgate LUCA as previously discussed and to bring forward a citywide schedule and plan for:
  - *safe injection site ban*
  - *homeless shelter siting provisions citywide*
  - options for council provisions for stronger vehicle parking, camping and outdoor camping citywide
  - public information and education materials on panhandling
- Perform due diligence and open discussions with Sound Transit to determine a path forward for a homeless shelter, which could include affordable housing and a day center, in conjunction with the OMF East site

# Citywide Code Provisions

- Comprehensive approach
- Clear, specific, enforceable
- Evaluate:
  - Existing protocol
  - Existing enforcement tools
  - Identify gaps
  - Current resources
- Options for code modifications

# Vehicle parking/camping

Example items under review:

- 24-hour parking limits
- Trash dumping and/or accumulation
- Waste tank dumping
- RV generators
- Identify any resource needs

# Outdoor camping

The background of the slide features a dark blue header with a white silhouette of a city skyline. Below the header, the main content area is white with faint, light gray silhouettes of trees and buildings.

Evaluation of:

- Gaps/improvements in existing protocol
- Public property versus public easement
- Identify any resource needs

# Panhandling

- Undertake public education campaign
- Develop messaging
- Near-term (immediate)
  - Continued partner collaboration
  - BellevueNOW
- Long-term (through summer)
  - Webpage content
  - Community resource guide

# OMF East Site

- Opened discussions
- Continued coordination
  - Identify next steps for both agencies

# Timeline
