

Bellevue Parks & Community Services

# Parks & Open Space System Plan Update

**City Council Study Session** 

February 8, 2016

#### Context for Park System Planning

- Council on Accreditation of Park and Recreation Agencies (CAPRA) standards
- Washington Recreation and Conservation Office (RCO) system planning requirement
- Washington State Growth Management Act (GMA)

#### **Contents of the Plan**

- Community Profile
- Natural Resource Characteristics
- Park & Open Space Inventory
- System Plan Goals
- Capital Project Objectives
- Maintenance, Renovation and Security
- Funding Strategy & Sources

### System Plan Focus Areas

- Open Space, Greenways, Wildlife Corridors and Trails
- Park Facilities
- Active Recreation Facilities
- Urban Parks Systems
- Waterfront Access
- Partnership Opportunities
- Historic, Cultural and Art Resources

### **Related Plans and Initiatives**

- Bellevue Comprehensive Plan
- City Council Vision
- Recreation Program Plan
- Human Services Needs Update
- Bellevue Diversity Advantage
- Downtown Livability Initiative
- Eastside Rail Corridor Master Plan
- Ped. and Bicycle Implementation Initiative
- Shoreline Master Program

#### Parks & Community Services Board Oversight

- Balanced consideration of:
  - Public engagement activities and public hearing
  - Comprehensive Plan Update
  - Other recent City plans and projects
  - Park Board retreat results
  - Input from other city commissions
- Unanimous recommendation for council approval

### **Outreach Methods**

- Statistically Valid Resident Surveys
- Open Web Survey
- Public Hearing / Public Meetings
- NextDoor Neighborhood Email
   Distribution Groups
- Presentations
- Newsletters, Social Media, Web Pages, Newspapers, Flyers
- Photography and Poetry Contest

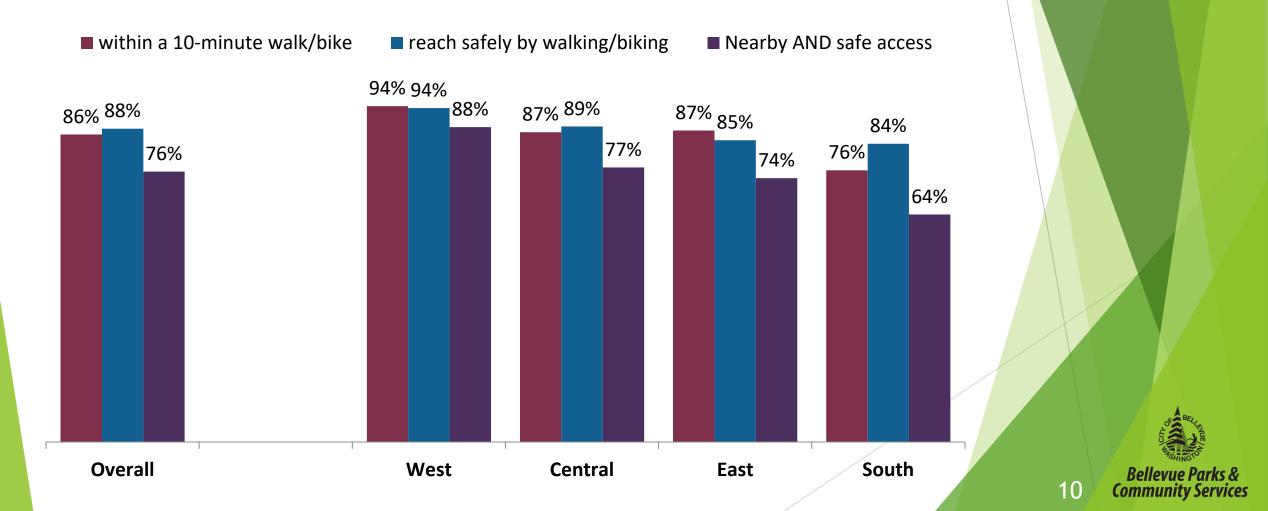

In the past 12 months, how often have <u>you</u> personally visited any of the following types of public or private parks or recreation facilities in Bellevue?

Frequently (10+ times)	Occasionally (6-9 times) Infrequently (2-5 times)			<u> Total %</u>			
D. Trail through forests, wetlands, or other natural areas	3	5%		18%	2	23%	76%
C. Open areas for unstructured play or picnicking such as fields or plazas	25%		20%	6	23%	69%	0
J. Park with display gardens	15%	12%		37%		64%	
A. Community beach, waterfront park, or boat launch	20%	1	.7%	249	%	61%

B. Outdoor sports field or sports court	15%	12%	23	3%	50%		
E. Playground	16%	10%	14%	41%			
G. Indoor sports facility or fitness center	21%	6%	13%	40%			
F. Swimming pool	10% 6%	12%	27%				
I. Designated off-leash dog area	10% 3%	9% <b>2</b> 3	3%				

Is there a Bellevue Parks & Community Services park, trail entrance or facility within a 10-minute (or 1/3 mile) walk of your home? Are you able to reach this facility safely by walking or biking?

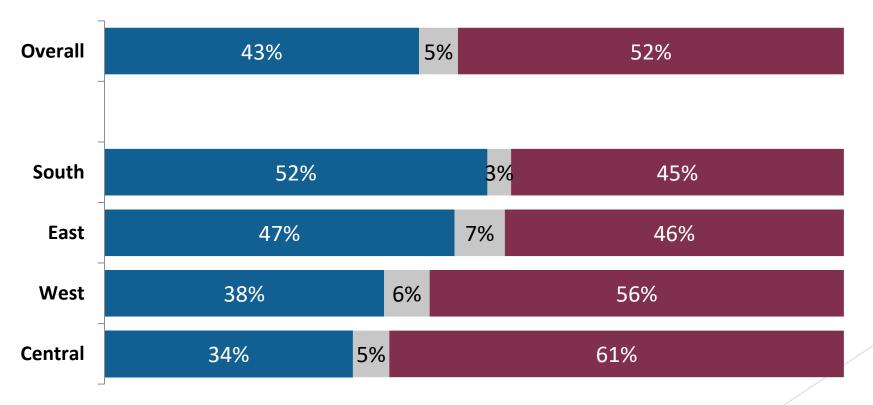

Please rank the <u>five</u> items you think should have the <u>highest priority</u> for city development of parks and recreational facilities.

% of All residents Mentioning Each as a Top 5 Priority		
77%	30%	
65%	13%	
63%	14%	
45%	6%	
42%	5%	
40%	7%	
35%	7%	
36%	3%	
33%	6%	
23%	6%	
	77% 65% 63% 45% 42% 40% 35% 36% 33%	

Bellevue Parks & Community Services Should City investments be focused more on the acquiring new parkland and natural areas or focused more on developing and improving currently-owned parks?

Acquiring new parkland and natural areas
No Answer
Developing and improving currently-owned parks

Bellevue Parks & Community Services Web Survey Results - Is there any type of park or recreational facility you would like to see more of?

Chapter	Action
Policy Framework	<ul> <li>Aligning Goals from Comprehensive Plan</li> </ul>
Planning for the Future	<ul><li>Updating survey data</li><li>Needs by Neighborhood Area</li></ul>
Capital Project Objectives	Park Board Recommendations
Maintenance, Renovation & Security	<ul> <li>More detail on Renovation Plan, security and emergency response</li> </ul>
Financing Capital Projects	<ul> <li>Future park bond/levy package</li> <li>Increased reliance on grants, partnerships, dev. incentives</li> </ul>

15

Capital Project Objectives incorporated from other existing planning initiatives

Capital Project Objective	Rationale
Downtown Urban Trail System	<i>Downtown Livability</i> : Supports using existing and new through-block connections as urban trails for pedestrians.
Grand Connection from	Grand Connection / Wilburton: Supports
Meydenbauer Bay to Eastside Rail	the parks and recreation elements of the
Corridor	Grand Connection
Eastgate I-90 Corridor park, open	Eastgate I-90 Land Use Plan: Incorporates
space and trail development	the park, trail and open space objectives of
projects	the Council-adopted plan

16

New objectives proposed based on public feedback and city studies

Objective Name	Rationale
Add a neighborhood-scale park in the Eastgate Area	The recently annexed portions of Eastgate
	do not have walkable access to parks and
	trails.
Add a neighborhood-scale park in the Wilburton Area	Increased residential density at the north
	edge of this neighborhood is outside of
	walkable access to parks and trails.
Improve undeveloped parks site	This objective relates to property acquired
in the Bridle Trails Area	in 2015 on 140 <sup>th</sup> Avenue NE

New objectives proposed based on public feedback and city studies

Objective Name	Rationale
Improve undeveloped park site in Newport Hills	This objective relates to properties acquired on SE 60 <sup>th</sup> St
Add shelters and facilities for large group picnic areas	Parks & Community Services Board added this based on community feedback
Sweyolocken Boat Launch Redevelopment	Redeveloped to better support non- motorized watercraft

18

#### 2010 Objectives revised and updated for 2016

Objective Name	Rationale
Trail Connections/Extensions: Enhance connectivity and walkability by creating connections between neighborhoods and local parks	The Board re-directed this objective to focus on neighborhood-based trail connections based on public feedback collected.
Off-leash dog areas, expand Robinswood and add addition sites across the city	The Board added in response to public feedback requesting additional facilities.
Facilities Providing Recreation and Interaction for Diverse Cultures, Ages and Abilities	This objectives was broadened by the Board to be responsive to the City's Diversity Advantage plan
Public golf-related facility improvements	This objective was re-worded by the Board to encompass variants such as Frisbee golf, foot golf, and mini-golf.

19

## Next Steps

- SEPA Review
- Council Adopting Resolution
- Layout and Graphics
- Submittal to State Recreation & Conservation Office
