**Description and Scope**

This project is a partnership between King County Metro (Metro), Bellevue College (BC) and the City, and will reconstruct BC campus roadways to support frequent transit bus service, construct sidewalks and accessible bus stops and modify the 142nd Place SE/SE 32nd Street intersection. It will include a separated multi-use paved path connecting 145th Place SE to the Mountains to Sound Greenway Trail. It will provide weather protection on 142nd Place SE for transit users, pedestrians and cyclists. A Bellevue College Transit Center is envisioned to be developed along the corridor. This current funding request will advance design in partnership with KC Metro and BC.

**Rationale**

This project provides an east-west connection to businesses, parks, shopping and the I-90 trail. Residents want to use multiple modes of travel but there are no pedestrian and cycle facilities along this stretch of roadway. The project responds to one of the City's primary responsibilities: public safety and the need to minimize the City's liability by preserving the transportation infrastructure. This project helps to accomplish the department's mission to provide a safe and efficient transportation system that supports livable neighborhoods and a vital economy in partnership with the community.

**Environmental Impacts**

An environmental determination will be made in conjunction with preliminary engineering for the project.

**Operating Budget Impacts**

Operating costs for this project will be determined during the project's design phase.

**Project Map****Schedule of Activities**

<b>Project Activities</b>	<b>From - To</b>	<b>Amount</b>
Project Costs	2017 - 2019	400,000

**Total Budgetary Cost Estimate:** 400,000

**Means of Financing**

<b>Funding Source</b>	<b>Amount</b>
General Taxes & LTGO Bond Proceeds	400,000

**Total Programmed Funding:** 400,000  
**Future Funding Requirements:**
