

Permit Extensions

Ordinance 6508

Mike Brennan, Director
Development Services

April 20, 2020

Direction Needed from Council

Recommend adoption of Ordinance No. 6508 extending the life of permit applications and issued permits by 180 days.

Background

- March 23rd Governor issued Order to “Stay Home – Stay Healthy”
- Most residential and commercial construction suspended
- Permit applications and issued permits have a maximum life
- Proposed Ordinance will extend applications and issued permits by 180 days
- Additional time allows for completion of the permit process or construction avoiding time and cost for reapplication

Direction Needed from Council

Recommend adoption of Ordinance No. 6508 extending the life of permit applications and issued permits by 180 days.
