Agenda Item for July 7, 2020 Commission Meeting

Discussion of 2021-22 Human Services General Fund Applications – Goals 2 & 3

The Human Services Commission will continue Round One of its review of the 2021-2022 general fund applications with Goal #2 and Goal #3. You will follow the same procedures you used during the June 30 meeting -- each application is briefly summarized by members of the review team for those applications. The summary should include the name of the application and in a few words, its strengths and weaknesses. The team can also comment on whether they think that the application should go on to Round #2 when funding amounts are discussed.

Please let staff know if you will not be able to attend a meeting. It's imperative that we have a quorum so we can keep on schedule. We don't know when we will be able to meet in person again. It seems likely that virtual meetings will continue at least through July. We will let you know when we know.
