

Date: August 4, 2020
To: East Bellevue Community Council
From: Karin Roberts, Deputy City Clerk
Subject: Vacant EBCC Position

At the June 30 meeting, Position No. 4 was declared vacant and direction was given to recruit for the vacancy. The vacant position was advertised for three weeks, with 16 residents submitting applications.

Per RCW 35.14.020, candidates must reside within the EBCC jurisdictional boundaries. Upon initial review, only 10 of the 16 applicants reside within the boundaries. Staff have vetted each of the ten candidates with the King County Elections office. All are registered to vote at an address within the EBCC jurisdiction, which therefore makes any of the candidates eligible for appointment.

At tonight's meeting, Community Councilmembers are being asked to discuss and make a recommendation as to which applicants to move forward for an interview.
