

MEMORANDUM

Bellevue Parks &
Community Services

Date: October 5, 2020

To: Parks & Community Services Board

From: Shelley Brittingham, Assistant Director
Parks & Community Services

Subject: Recreation Programming and Facilities Update - 2020
(Informational – no Board action requested)

At your Tuesday, October 13, 2020 Parks & Community Services Board meeting, I will present information about recreation programming and facility status in response to the Covid-19 pandemic.

Since the closures of our community recreation facilities and cancelation of city programs and special events beginning in March, we have followed the guidelines of the Safe Start Washington Phased Re-Opening Plan issued by the Office of the Governor. We have safely re-opened some of our recreation facilities and outdoor amenities including the golf course, tennis and aquatics centers, ballfields scheduling, playgrounds and sports courts.

I will update the Board on the current status of our facilities and programs as well as planning efforts underway for 2021 including virtual programming.
