Neighborhood Profiles + Data Walks	(November)

Upcoming

allow small businesses, like coffee shops in our neighborhood♥♥ Safety – Sense of Community – Environment – Sustainability - Diversity

Prompt #2 - If we are successful in living up to these values how will our neighborhood be different?

- More cultural events in Crossroad parks.♥♥♥♥
- native plants
- bike access to other parts of Bellevue ♥♥
- We are connected to other neighborhoods - bike, walk, drive, shopping, library, etc. Make sure we can access those neighborhoods. ♥♥
- Cost of living more affordable♥
- Trails linking up to downtown
- More youth engagement/programs ♥
- More green thinking♥
- More use of Crossroads Community center -- such as teaching ESL and programs like Cultural Conversations ♥♥♥
- fix traffic on our arterials!!!♥
- Public access to Lake Sammamish!♥♥♥♥
- Converting Bellevue Technology Center property to a public park.♥♥♥♥
- Attention given to indigenous history
- Streets set aside permanently as pedestrian only.♥
- Outdoor spaces for restaurants -- like a big piazza.♥
- Traffic mitigation - NE 24th example. Lower cutthrough on streets. Decrease speeding - particularly in areas without stoplights etc
- greater housing density that is well planned and allows for more greenery
