Discussion

DATE: November 5, 2020

TO: Environmental Services Commission

FROM: Don McQuilliams, Utilities Operations Manager
Mike Gonzalez, Utilities Emergency Management Coordinator

SUBJECT: Update to the Utilities Emergency Management Program

Action Required at this Time

No actions required at this time. Staff will be presenting an update to the Utilities Emergency Management Program.

Fiscal Impact

None

Policy Issues

None

Background

The last time the ESC was briefed on the Emergency Management Program was in February of 2018. This update will cover steps that have been taken since our last update and inform the Commission on future plans for the program.
