HEARING EXAMINER RECOMMENDATION

The Hearing Examiner recommends approval with conditions. See the attached Hearing Examiner Summary for background information.

CONSIDERATIONS

This is a Process III quasi-judicial land use matter in which the Hearing Examiner issues a recommendation to Council. Council's role is to consider and take final action on each Process III application. No appeal of the Hearing Examiner recommendation was filed in this case.

Therefore, the Council should not accept new information, written or oral, on the application, but is to only consider the complete record developed before the Hearing Examiner and the recommendation of the Hearing Examiner and the comments of a community council with jurisdiction pursuant to RCW 35.14 in deciding upon the application.

At its Regular Session meeting on February 16, Council considered the rezone application by Kennedy Wilson Fund V – Eastgate LLC for Eastgate Office Park. Staff have provided a proposed Ordinance approving with conditions the rezone application in tonight's packet, in the event the Council votes to approve the application. In the alternative, if Council decides to modify or set additional conditions on the approval of the application, or to deny the application, staff will prepare a new proposed Ordinance memorializing the Council's decision, to be presented at a future Council meeting for adoption.

For further information see BCC 20.35.355.
