### **Agenda Items for March 16, 2021 Commission Meeting**

#### **Human Services Needs Experienced by Bellevue School District (BSD) Students and Families**

The Human Services Commission has requested more information about the needs of Bellevue students and their families. At this meeting, several staff who work directly with this population will provide their perspectives about these needs particularly during the pandemic:

- Lilitana Godinez is the BSD staff person who works with students and families experiencing homelessness as well as those students in the foster care system. She will also provide some comments about the needs BSD staff are seeing in the Family Connections Centers.
- Cecelia Martinez-Vasquez and Jeannie Anderson are both City of Bellevue staff who work in the BSD in the City's Wraparound Services Program.

Each of the speakers will describe their specific roles in the BSD and summarize some the needs and barriers to accessing serves that students and families are experiencing.
