Agenda Item for April 6, 2021 Commission Meeting

HUD CDBG-CV2 Funding Application Process and Review of Current Needs

Background

At the March 16 Commission meeting, Dee Dee Catalano informed the Commission that a new award of funding from HUD, CDBG-CV2 funds, had been announced. These funds are allocated by HUD to the Washington State Department of Commerce and municipalities must apply to the State for them. The amount designated for the City of Bellevue by Commerce is \$173,748.

Dee Dee has obtained more information about the steps the Department of Commerce is requiring to secure these funds. At this meeting, she will give an overview of the CDBG-CV2 funding application process and the timeline set by the State.

Staff will also provide Commissioners an update on some key, current data points relating to human services needs in Bellevue. This update will assist the Commission in their discussion of what service areas to designate for these CDBG CV2 funds.
