

# City of Bellevue

## MEMORANDUM

---

**DATE:** May 12, 2021

**TO:** Human Services Commission Members

**FROM:** Alex O'Reilly, Human Services Manager, 425-452-2824  
Human Services Division  
Parks & Community Services Department

### **Agenda Item for May 18, 2021 Commission Meeting**

#### **Transportation Options for Bellevue Residents-Hopelink Mobility Management**

##### Background

Since transportation is of particular interest to the Commission, staff have invited Sara Sisco, Program Manager for the Hopelink Mobility Management Program, to provide an overview of some of options for Bellevue residents to find transportation when they don't have their own vehicle. These include the Hopelink Transportation Helpline and a newly revised website, *Find a Ride*.

She will also describe how Hopelink has been part of a partnership of providers who have been assisting people with rides to their COVID vaccine appointments.
