I live within easy walking distance of 6 City of Bellevue parks. That statistic in itself is worthy of praise and one reason why I moved here 12 years ago. Today, I would like to express my gratitude to the park maintenance people who do an incredibly wonderful job of maintaining not just the landscape but the facilities such as toilets as well. I enjoy their hard work every day. The outstanding quality of life that they bring to Bellevue is appreciated.

To the Board and supervisors - please stop, take a moment, and tell your employees how much they are valued. They deserve it.

Kind regards,
Tobi Pollock, Bellevue Parks Enthusiast
