EXECUTIVE SUMMARY

This Resolution will authorize contracts to enable the City to continue to provide janitorial service at multiple parks sites known as the East route, including carpet cleaning, hard surface floor care and window cleaning.

RECOMMENDATION

Move to adopt Resolution No. 10021

BACKGROUND/ANALYSIS

The current contract for janitorial services, including carpet cleaning, hard surface floor care and window cleaning, is due to expire at the end of December 2021. In 2021 a Request for Proposal (RFP) was advertised for the East route (including 10 buildings) and the West route (including 24 buildings). The RFPs were due October 5 and the East RFP received six proposals. Of the six proposals, three met qualification requirements. The three qualified respondents were CCS Facility Services, SMS Cleaning, Inc., and Stardom Services, Inc.

After reviewing the submittals and evaluating each proposal based on price, approach to Scope of Work, experience with other municipal entities and references, Stardom Services was selected for the East route.
