

Legislation Details (With Text)

File #: ORD 6226

In control: City Council Regular Session

On agenda: 5/4/2015

Title: Consideration of the Ordinance for the application of Puget Sound Energy (PSE) to construct a new 115 kV overhead transmission line connecting the existing Lake Hills Substation with the Phantom Lake Substation.

(Council previously discussed this quasi-judicial item on January 26 and April 20, 2015.

This is a Process III application. Under Process III, the Hearing Examiner makes a recommendation to the City Council, which is the decision-making body. If approved by the Council, the application then moves to the East Bellevue Community Council for consideration and decision. The Community Council's decision may be appealed to Superior Court.

Because the record on this matter officially closed with the issuance of the Examiner's Recommendation, no additional evidence or public comment can be considered by Council in rendering a decision on the Examiner's Recommendation.

The Hearing Examiner recommends Council approval, with recommendations.)
